YOU cannot bring about prosperity by discouraging thrift. You cannot strengthen the weak by weakening the strong. You cannot help the wage earner by pulling down the wage payer. You cannot further the brotherhood of man by encouraging class hatred. You cannot help the poor by destroying the rich. You cannot keep out of trouble by spending more than you earn. You cannot build character and courage by taking away man's initiative and independence. You cannot help men permanently by doing for them what they could and should do for themselves.

Que

Homecoming at East is not just one night, but a whole week of excitement. The 1980 festiviteis began with the annual "decorate-a-door" contest sponsored by Student Council. The winning doors were: First place, Mrs. Gary's door; second place, Mrs. Smith's door; and third place went to Mrs. Pope's door. In addition to the "decorate-a-door" contest, the varsity cheerleaders sponsored a "spirit chain." Anticipation filled the air as the annual Homecoming parade highlighted the afternoon. The parade was filled with pretty girls, colorful floats, the cavalier band, cheerleaders, and much more.

Later on the evening activites started with Lea Covington singing the national anthem, and the pregame show which presented the club sponsors who were not eligible for the crown.

The nine girls eligible for the title Homecoming Queen 1980 were presented at half-time. To the music of the band playing "Still", Debbie Harris, escorted by Robbie Hollifield, was announced first runner up. Debbie was the Student Council Sponsor. The crowd grew silent, as Key Club Sweetheart Debbie Jones, escorted by Joel Ammons, was crowned 1980 Homecoming Queen.

Much thanks goes to the Homecoming Committee, who worked exceptionally hard to make Homecoming 1980 successful.

# Time Passage

By Barbara Godfrey

The flowers are in bloom,
With tiny smiles upon their faces
And all at once time rolls around
The rows of blossoms are withered and dried-
From what seems like a few days ago.
Nothing lasts forever.
The flowers must die,
The leaves must fall,
Where time goes fools us all.

As Editor of the 1981 **Lancer,** I had more dreams for it than anyone can imagine. I've eaten, slept, and dreamed, "Will they like it?" My goal for this **Lancer** was to recapture the spirit of the class of 81's Senior year, the excitement of the Juniors becoming upperclassmen, the agony of the Sophomores struggling through Biology, and to make the Freshmen realize, "It wasn't so bad after all!" I hope I've succeeded!

To help me accomplish my task, I had the help of many people. **Mrs. Joy Smith** has been more than I could have asked for in an advisor. She always had the answer, and she has been a great friend.

**Greg Morrow** has also been a great friend. He was always there to listen and he managed to keep up with everything I forgot.

I wish I could extend an individual "thank you" to each member of the staff, but since I can't, "Thank you **Lancer Staff '81** for helping make this year one I'll never forget!"

Being Assistant Editor of the **Lancer** has not been an easy job, but I knew that when I accepted. There were decisions to help make about everything that went into this **Lancer.** Then, after the decisions were made, we had to meet our deadlines. We could not have accomplished this without the help of several special people who deserve our thanks-**Mrs. Joy Smith** for being a great advisor and for always being there to help in any and every way she could; **Jerry Gay** for being a great company representative and for answering all our questions; **Max Gee** for always coming when we needed him and for doing such a good job on the pictures; **Bonita Hollifield** for putting up with us running in every day to see if our pictures were ready; **Tommy Luckadoo** and **Ava Long** for always having a camera ready to capture that special time; **Benjamin Smith, Julie Knight** and all the people at the **Daily Courier** and the **Rutherford County News** for letting us use some of their pictures; **Sky City** and **Hardins Drug** for ordering chemicals for our darkroom and for developing pictures; **Mack Smith** and the **I.C.C. A.-V. Department** for helping us when our enlarger broke down; **K.C. and the Sunshine Band** for choosing **Mr. and Miss Lancer; Marcia Burwell** for helping us get **K.C. and the Sunshine Band;** Everyone at **Carowinds** for treating Marty Hardin and myself like celebrities for a day; **Marty Hardin** for doing great artwork and making fourth period a little more fun; **Ginger Guy** and **Evan Foster** for keeping our finances in order; **Jeff Poteat** for mailing the bills when Ginger just couldn't get by the post office; **All** who bought **ads** and **patrons;** for without you this would not be possible; **Mr. Hamrick** and the **staff of East** for understanding and excusing absences and tardies when something had to be done; **Laura Pless** for being such a great editor along with being a great friend; **All** my **friends** for helping give me support when I would become discouraged; but most of all **my family,** especially my **mother,** who had to drive me around everywhere I went and for understanding my dedication to the **Lancer.** To all of these I say, "THANKS!"
